INTERNATIONAL ENGINEERING CONGRESS PAPERS.

IRRIGATION. PAGE.

Paper No. 31.—IRRIGATION UNDER BRITISH ENGINEERS.
By Sir Hanbury Brown 1

Paper No. 32.—IRRIGATION IN JAVA.
By J. E. de Meyier 33

Paper No. 33.—IRRIGATION IN THE UNITED STATES.
By Elwood Mead 83

Paper No. 34.—IRRIGATION AND HYDRAULIC MOTORS USED IN IRRIGATION IN FRANCE.
By Paul Levy Salvador 111

Paper No. 35.—IRRIGATION IN THE HAWAIIAN ISLANDS.
By M. O'Shaughnessy 129

Discussion on the Subject:

By Sir Thomas Higham 139
Gen. F. H. Rundall 150
C. J. Grant 152
Michael Elliot 153
Alfred Chatterton 154
Almon H. Fuller 158
H. D. Pearsall 158
L. J. Le Conte 160
David M. Duller 161
Sir Hanbury Brown 169
Paul Levy Salvador 176
J. E. de Meyier 179

MARINE ENGINEERING.

Paper No. 36.—MARINE ENGINEERING.
By W. F. Durand 181

Paper No. 37.—MARINE ENGINEERING IN FRANCE.
By N. Daymard and R. Lelong 243

Discussion on the Subject:

By W. Carlile Wallace 261
Sir William H. White 264
Leslie S. Robertson 268

DREDGES: THEIR CONSTRUCTION AND PERFORMANCE.

Paper No. 38.—REVIEW OF GENERAL PRACTICE.
By A. W. Robinson 269

Paper No. 39.—DREDGING OCEAN BARS.
By J. C. Sanford 303

Paper No. 40.—REVIEW OF GENERAL PRACTICE.
By J. Hersent 327

Paper No. 41.—CRANE AND LADDER DREDGES.
By T. Kobayashi 335

Paper No. 42.—HYDRAULIC DREDGING ON THE MISSISSIPPI RIVER.
By F. B. Maltby 391
